

Attention FDA

0357 00 MAY -4 11:01
It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

Its none of the FDA's business if I purchase a hearing aid or anything else — unless we are no longer a free people & if we are forced to get an exam — FDA should pay

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

W/A

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

No!

4. Should I be allowed to purchase hearing aids by mail as I choose?

Yes!
